If you don't know login data, please send an inquiry to the librarian etd.elaba@vda.lt
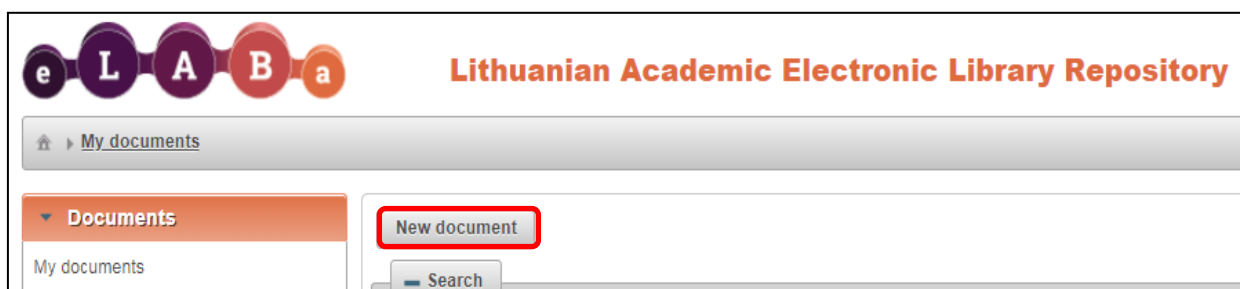

When you log in for the first time, you must agree with eLABa safety requirements.

Having logged in, please check My Profile and if necessary update your email address and save the changes.

Select **New Document**

Submission takes place step by step, after each step press Continue

Please note that all fields marked with an asterisk (*) are required.

You may edit , preview , delete and align down or up the data.

STEP 1

Common data. Select <u>Document type</u> **ETD** and the required <u>Publication type</u> – **Master thesis**.

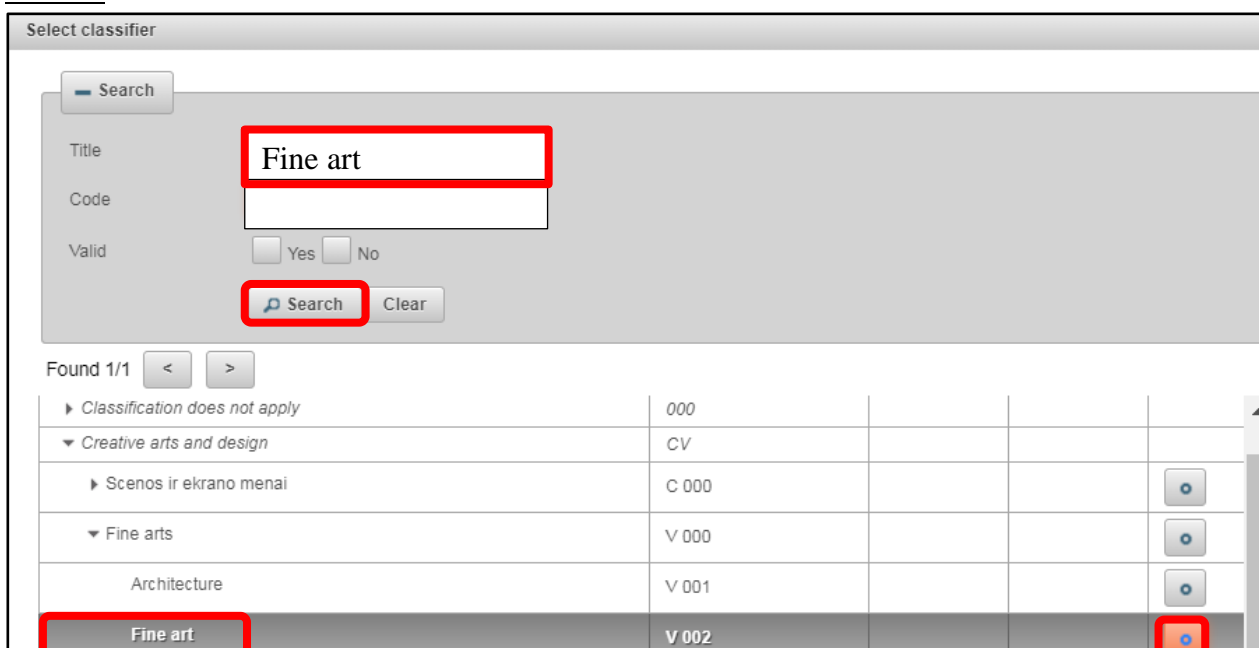

<u>Common data</u> – if the system does not show or incorrectly shows the <u>Department of metadata creator</u>, please send an inquiry to the librarian <u>etd.elaba@vda.lt</u>
Also, please choose the main language in which the thesis is written (English).

Scientific fields of document – select <u>Add field of science / art</u> and choose one field of science / art in the classifier according to your study programme (<u>please check for the title or code in the **Addition no. 1**</u>).

Please select the necessary one field of science / art by pressing the button in the column <u>Actions</u> of the classifier.

Then please indicate the **Weight (100 %)** of the added field of science / art.

Scientific fields of document				
*Enter at least one field of science / art				
Code	Title	Weight (%)	Type	Actions
V 002	Creative arts and design > Fine arts > Fine art	100 ▾	Scientific direction	🗑

Studies fields – select Add studies field and choose one studies field in the classifier according to your study programme (please check for the title or code in the **Addition no. 2**).

Please select the necessary one studies field by pressing the button ⊙ in the column Actions of the classifier.

STEP 2

Title, summary, keywords: the title, annotation and keywords must be in Lithuanian and English (lowercase). Please enter 3-5 keyword separated by semicolon.

If the titles of your thesis research and the creative project are different (for art studies), the titles of the both works are written by separating them by semicolons. The first is the title of the research paper.

Enter data by pressing Add ➕ Add and save by pressing Confirm ✔ Confirm .

Example:

The title, annotation and keywords must be in Lithuanian and English (lowercase)				
Title	**Language**	**Annotation**	**Keywords**	**Actions**

Other responsible persons: it is necessary to indicate your thesis supervisor (thesis consultant in the case of extern) by pressing button Add responsible person. Please find your supervisor or supervisors, using Lithuanian letters, and select him / her or them by pressing the button 🔲 in the column Actions of the classifier.

For art studies thesis please firstly indicate the supervisor of the thesis research part, secondly – the supervisor of the creative project of the thesis.

It is necessary to indicate the description of the selected responsible person: in Description field please select Thesis supervisor (thesis consultant in the case of extern) and select Confirm. Please check the supervisor's email address and correct it, if necessary.

STEP 4

Attached files

Main file – please upload the file of your thesis (final version) in **pdf format.** The main file might be compiled **only from the research paper in one file or the research part and the creative project in one file.**

Attachments – you may upload the creative project and other annexes in various formats and separate files. If the creative project was not uploaded in the Main file, please upload it in the Attachments.

Access status: please indicate the conditions of access to the uploaded file on the internet: eLABa search gate and VAA Virtual Library:

- **Public** – the full text file will be freely available (unrestricted) on the internet. [We recommend to choose this condition, because in that way your work will be more visible and readable];
- **Limited to institution intranet** – the file will be available only in the computer network of Vilnius Academy of Arts.
- **Unavailable** – the full text file will not be available on the internet, but the metadata will be public.

Valid until – upon selecting Limited to institution intranet and Unavailable it is necessary to indicate the date until which the indicated access conditions are valid. **It is possible to indicate maximum period of 36 months, i. e. 3 years of prohibition. After the end of the indicated period the thesis file will automatically become freely accessible on the internet.**

STEP 5

License agreements with the author: please get acquainted with the agreement text by pressing a link Download the terms of the license agreement regarding the upload of your thesis file and access to it.

License type: please choose / leave the file type **Electronic.** The license agreement will be concluded electronically in the eLABa repository when it is approved by you (after the approval of the supervisor in the repository) and the librarian in charge of the VAA (after the defense of your thesis).

Actions: please select **Send to supervisor to confirm**. Press **Save** [Save button]

The document with the thesis file will be submitted for the confirmation of the supervisor (document status will be Supervisor confirming). The supervisor will be informed automatically by the email from the repository.

For art studies – the supervisor of the research part should confirm the document.

After the confirmation of the supervisor

Student receives an email informing about current stage of the thesis (document status <u>Author signing</u>).

Please login to the eLABa repository and open the document via the link from the email or pressing the editing buttons [✎] or [✎ Edit] .

<u>License agreements with the author</u>: please confirm the electronic license agreement – <u>check the box</u> **I confirm that the data provided in the license agreement is correct (author)**.

<u>Actions</u>: select **Mark for defense.** Press **Save** [✔ Save] . The status of the document will be <u>Defending</u>.

If you have any questions during the registration of your thesis,

please send an e-mail via etd.elaba@vda.lt address.
